

Accommodation

Camping, Glamping & Local Hotels

You and your guests are welcome to enjoy the beauty of the farm and abundant wildlife by camping under the stars or staying in one of our rustic cabins located in secluded spots around the farm.

Our Camping is Wild

With almost 200 acres, and more pigs than people, we've got plenty of space for you to enjoy. You get a patch of beautiful green grass and all the fresh air you can fill your lungs with,

Our rustic cabins offer a little more comfort for those who want it. Each cabin is 10ft x 8ft in size and can comfortably accommodate 2 adults. There are four cabins on the farm, each with a log burner and a bed. There is no other furniture, lighting, linen or electricity inside, so bring what you need for a comfortable night.

Glamping

Not quite up for wild camping? Hire in your own luxurious camping equipment from tipis, to yurts, to belltents to campervans. There's plenty on offer to make your stay as comfortable and fun as can be.

The Perfect Setting

A farm like no other

Set in green and pleasant land, Church Farm is an ideal location for you to hold your weddings, parties and celebrations. Whether you prefer an informal celebration with music, campfires and marquees in one of our fields, or a get-together in our Jolly Waggoner Pub, Café, Events Room, or Rural Care area, we can organise the perfect event to suit you!

About Church Farm

Church Farm is a mixed, high welfare, ecological and low-carbon food and farming enterprise - a place for wildlife, beauty, diversity, community and people.

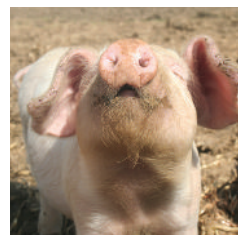

All the meat is produced and butchered here, eggs are laid by our hens in the orchard, bread is baked by our professional on-site baker; vegetables, salads and herbs are freshly harvested from a field 80 yards away, and cakes are handmade in the farmhouse kitchen.

The Farm Store, Café and Jolly Waggoner Pub are open 7 days a week providing the best food from the farm, and it's free for you to walk the footpaths to see the animals, woods and veg area at any time.

Workshops and events are held at the farm and we welcome group functions, children's parties, weddings, business meetings, clubs and societies, cyclists, families, campers, walkers and dogs.

Thank you for supporting this way of farming.

Catering & Bar

Church Farm Food

We can cater for breakfasts, lunches, buffets and teas in the Café, Events Room, Rural Care area, and Jolly Waggoner Pub.

For outside catering in the field we have preferred catering partners who can provide anything from a BBQ, or a Hog Roast, to Silver Service Dining. All caterers use Church Farm meat and bread.

The Bar

The bar is run by the Jolly Waggoner Pub - drinks include wine, champagne, rose, beer, lager, real local ale, mixers and soft drinks.

No Impact Events

Please ensure all suppliers and guests are aware that all rubbish must be taken away after the event
